

Kheloudja
Habi

"Holding a degree in Applied Foreign Languages, I have acquired a solid academic background. Currently pursuing a Business Intelligence Analyst training on OpenClassrooms since September 2023, I have completed several projects using Excel, SQL, Python, Power BI, and Tableau. I have also had various professional experiences outside my field of study, which has allowed me to develop adaptability and transferable skills. I am passionate about data analysis and visualization to support decision-making."

Compétence Technique

Excel/Power Query

Power BI

Python

SQL

Tableau

Soft skills

Communication (Intermédiaire)

Conformité RGPD (Avancé)

Documentation technique (Intermédiaire)

Identification des besoins pour un dashboard (Avancé)

Justification des résultats SQL (Avancé)
